

For the second year running, both the Scratch and Handicap Championships were dominated by the lower handicappers.

In the Cattanach Trophy (Handicap Championship), Alex Cruickshank emerged victorious with an aggregate total of 246. His four rounds of 63, 62, 65 and 55 were enough to see him claim a Seven shot victory over Graham Foubister.

In the Club Championship,

Ray Sherrard successfully defended the Trophy that he won for first time in 2010. Ray went into the final round of the club Championship with a commanding 7 shot lead over his nearest challengers and never looked back as he equalled the course record of 60 with His 4th round score.

Ray's aggregate score of 267 (68, 73, 66, 60) was 3 shots better than His 2010 total and was enough to see him claim a ten shot victory.

Both Ray and Alex are congratulated for their fine performances in both competitions.
